By Car from A71

Leave Kilmarnock and make your way along the A71 heading towards Irvine. Leave the A71 at the Warrix interchange, taking the second exit from the roundabout. Turn left at the next roundabout and travel over the bridge and then take the third exit from the roundabout. As you drive past the high rise flats on your right hand side, you will see a Rivergate sign directly in front of you. Take the second exit from the small roundabout and continue on the dual carriageway underneath the centre. Turn left at the Rivergate sign and enter the car park.

By Car from A78

Travelling on the A78 from Ayr, Prestwick, Ardrossan, Saltcoats, or Stevenston. Follow the signs for Irvine and leave the A78 at the Warrix interchange, taking the third exit from the roundabout. The directions are then same as A71.
